

Seekonk Swimming and Tennis Club is committed to implementing Federal, State, and Local health department regulations. We have adopted these 2020 Seasonal Operating Guidelines, in addition to our normal club rules, in order to increase health and safety standards. We feel that if all members and staff work together we will be able to enjoy a safe, fair, and fun, summer at SSTC. **We do expect that these guidelines and operational hours will be updated as we move between phases.**

Our rules need to be followed in order to keep our staff and members safe and healthy. Any member not abiding by these rules and guidelines will be given a warning and if the behavior continues they will be asked to leave and/or have their membership terminated with no refund.

**Summer membership prices will remain the same**, but we will be extending our season to include the first three weekends of september, hours to be determined. 9/5 and 9/6, 9/12 and 9/13, and 9/19 and 9/20. We will not be open on Labor Day, Monday 9/7.

Please review the following operating Guidelines to see what the “new normal” will look like at SSTC this season. **We are asking for a commitment to be made by Wednesday, June 17th as we will be opening on Monday, June 22nd. All balances will be DUE on opening day.** By working together, we have the best chance of keeping everyone healthy and safe. We thank you for your cooperation, assistance, and patience, in this unprecedented situation.
