## Vice President

**G**reetings to one and all,  
With the arrival of midsummer here at the pool club comes the annual bond holders meeting. Inevitably it always seems to be one of the hottest nights Politely in time of the season and this year seemed to be no different. But with lots of cool drinks, and great treats provided by Lisa..... and her social committee the meeting was held. Lots of presentations and reports on the status of the club sometimes light and other times heated much discussion on the direction of need for the clubs future success was had.

As long as I have been a bond holder whether sitting in as the associations Vice President or a voting member from the floor I have enjoyed knowing somehow my voice has had an impact on the club's future. This past year is my final year as Vice President and I can honestly say I have been truly impressed with the work of the 3 current directors whom I served with, Kelly Brown membership, Kristen Nichols communications, and Amy Fontaine social and replacing me as VP. Ladies it's been

great! It has also been a great pleasure to serve with my friend club secretary Stephanie Torres, thank you for your commitment to our club. Finally, although we don't always see eye to eye Jackie Doyle has been devoted and took over an insurmountable task of stepping in as the clubs president and I wish her and the board greater success in the future.

One of my favorite aspects of our bond holders meeting has always been "The Good & Welfare." This is when members have an opportunity to voice the concerns and suggestions they may have to help improve the safety and general welfare of what the club offers. One year someone suggested soccer nets, this year unbeknownst to me the bottom of the chain link fence on our ball field has become a concern and they offered a simple solution, thank you. So with close to 50 bond holders in attendance the club's future business was tended to for another year and those of us there were part of it. I invite those of you who enjoy this club as much as we do to become part of the clubs future,

In closing lets all enjoy the second half of our summer and my promise to you the bond holders and general membership for your years of support, I will continue to listen to your concerns and suggestions anytime.

Respectfully Yours,  
TGlenn  
Vice President SSTC

## Treasurer's Report

Tonya Emery

**H**ello members, to date (through the end of July) - I am pleased to report our estimated receivables have exceeded balances from this time last year due to a successful Kids Fair, and the bookings of many parties which generated additional funds due to guest fees and snack bar receipts.

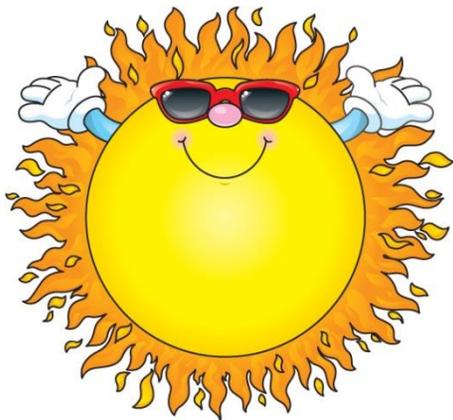

Based on the schedule for planned parties and events through the end of August, we can expect an increase in revenue from the 2014 totals at year's end. I hope all of our members are having a great summer and enjoying themselves at SSTC. Thank you!

## Secretary's Report

Stephanie Bordes Torres

**I**t's hard to believe we will soon be headed back to school and leaving behind our serene swim club. While my

family and I will be returning to the club next season, I will no longer be serving as

the board's secretary. I would like to thank our President, Jackie Doyle, and the other board members for their dedication and hard work. It has been a pleasure serving with you, and I wish you all the best in the coming year.

Best,  
Stephanie Torres

## Communications

Kristen Slovak Nichols

**I**t's hard to believe August is here and along with creating the last newsletter of the 2015 season I'm also preparing my classroom for back to school! Please know that if anything of importance comes up during the off season we will still be utilizing RainedOut.com, Facebook, and also our blast

email system. One of my goals last year was to have a new website up and running for this summer. It has taken longer than I thought but it will be ready for the 2016 season!

If you have any questions or concerns for any of our board members or management please email us at our primary club email address  
**SSTC255DavisSt@gmail.com.**

**Facebook** continues to be extremely popular with our members. Please continue to visit, "like", and **rate** SSTC on our **Facebook** page (Seekonk Swim and Tennis Club).

I have always said that Communications is a team effort. I am not at the club 24/7, so I truly appreciate the efforts of my fellow board members who help with timely text blasts and updates on Facebook. Lastly, thank you to everyone involved with the newsletter for your informative write ups. It wouldn't be possible without you!

If you have any further ideas on ways to increase communication please email them to me. Enjoy the rest of the summer!

## Membership

**Kelly Brown**

**J**ust a reminder to all the members that

our email is checked daily. If you have any concerns or need to communicate with the club management please feel free to email us. Enjoy the rest of the season!

## Social

**Amy Fontaine**

**I** can't believe that we are at the

end of the season already!!! I know my boys have had a wonderful summer and are looking forward to the last few weeks before it is back to school. August can be a slower time at the club, but we do have a few events left. We will have Family Bingo on the 8th, a Kick Ball game on the 9th, free Watermelon on the 11th, and our final Movie Night is the 14th. We will be ending the summer with a "Share a Side Supper" on Sunday, August 16th from 4-6. We are asking those who would like to participate to bring their dinner and to bring a side to share with the club. If you have any ideas for next year please send them my way [ramysue@verizon.net](mailto:ramysue@verizon.net).

## Manager's Corner

**Kim Pellerin**

**A**s I finish off my 20th year at SSTC I am lost in reflection. The years have passed so quickly but each summer is better than the last and each family that I meet leaves a lasting impression.

It really is so rewarding to see the smiles on the kids faces as they come down the ramp for the first time that summer and see the pool so bright and blue. We have families who return to our club year after year and it is so nice to see each other after a long winter. This year was no different.

Our lessons offered our youngsters a venue to brush up on their swimming strokes as well as their tennis strokes. A big thanks to all of my swim lesson guards; Jessica Murphy, Alison Murphy, Connor Kogut, Katarina Alvares and Tyler Linhares for your time and dedication to our young swimmers. Thanks also to Marissa Pitrone-Marsh, our new tennis instructor. In the wake of Frank's departure, Marissa did a great job in showing our budding tennis stars a different way to approach their time on the courts. The arts and crafts room was always bursting with energy as our future Picasso's dove into the craft of the day.

Thank you to Mrs. Arenas for her boundless energy and creative projects. Thanks also to Mike Lantagne for taking such good care of our grounds that for so many of us is our summer home away from home. The ladies of the snack bar

were instrumental in keeping us all well fed. What would our pool club be without a snack bar! Thanks again to Kendall Jackson, Nicole Agamov, Ashleigh Arenas and Hannah Sabitoni for all your hard work. To the rest of the staff, thanks so much for all you do.

And finally, to all of our members, please enjoy the remainder of your time here at SSTC. Without you, this club would not be possible. Think of us during those cold winter days when the snow is falling and the wind is blowing. The dog days of summer will be right around the corner.....for me this is not goodbye.....rather, until we meet again!

Marissa Pitrone-Marsh

We have had great participation by SSTC members this Summer especially the Juniors. The Coaches and I have seen a lot of enthusiasm, and learning on the tennis courts!

The regular season is sadly coming to an end this Friday but that doesn't mean you have to put down your racquets!

I will be running a Summer Camp session Monday-Friday 10-14th, 9-11:30am.

I will be running clinic with emphasis on learning more stroke production, drilling, and fun games of course! AND, competitive play against your favorite tennis coaches :)

If you are interested in joining the price for the week is \$100. If you have any questions please feel free to contact me at 401-524-7501.

Please let me know by Sunday August 9th via text, and there will be a sign up sheet by the office as well!

Thanks for welcoming me with open arms, I truly enjoyed SSTC!
